They promised to defend. We promise to support.

Hello OHT Supporter!

From everyone at Operation Hat Trick, we want to express our gratitude to all veterans and those currently serving in the military.

So many of our veterans and service members have made sacrifices defending our country, and we continue to promote the idea of #NeverForget.

We want to also specifically thank Travis Mills, not only for his service, but for establishing the Travis Mills Foundation to benefit and assist post 9/11 veterans injured in the line of duty or as a result of their service to our nation. Travis is one of five quadruple amputees but has astounding resiliency. OHT was one of the first to donate to his Foundation because of all of the impactful work his Foundation does.

One of our amazing partner organizations, Warriors Ice Hockey, needs our help. The impact of this program for veterans is profound, but ice time is prohibitively expensive. Can you help a Warrior Hockey team secure 5 additional minutes of ice time by donating \$31.25? (Each hour of ice time costs ~\$375.00). Click the button below to help!
