They promised to defend. We promise to support.

Dear {First Name},

Happy New Year! Operation Hat Trick has had a busy start to the year, preparing for and participating in the Sports Licensing and Tailgate Show, where we were able to reconnect with our greater OHT family of partners and supporters, as well as forge the new relationships that will help OHT continue to grow and ultimately reach many more veterans. Speaking of helping veterans, we are so proud to announce that we have been able to donate to a number of well-deserving organizations, thanks to all of you who support OHT through your purchases of OHT gear as well as direct donations. You are truly impacting the lives of our veterans through your support. Thank you.

Finally, we are continuing to grow our involvement with Warrior Ice Hockey, in partnership with the Red River Charitable Foundation. Warrior Ice Hockey is truly a life changing activity for veterans, and we are so proud to be a part of it.

My very best,

Dot
President/Founder, Operation Hat Trick

Congratulations to the LSU Tigers, the College Football Playoff National Champions! We are so thankful to both LSU and Clemson for their partnership with OHT. Go Tigers!

Congratulations to North Dakota State University, FCS Champions! This is the Bison's 8th Championship in 9 years and they have done so much to support OHT. We couldn't be more thrilled for NDSU! We are also thankful to both NDSU and James Madison for their partnership with OHT! Read more about the title-winning game [here](#).

OHT Impact: Recent Donations

Operation Hat Trick has recently made donations to the organizations below to support the recovery of wounded service members and veterans. All of these groups have made significant strides to assist in various ways. Look for more information on these organizations in the coming weeks!

Sports Licensing and Tailgate Show 2020

Held January 20-22, 2020 in Las Vegas, the Sports Licensing and Tailgate Show is the premier event for licensors, licensees, retailers and colleges interested in licensed products. Attendees had the chance to see nearly 400 exhibiting companies, representing every possible product category. All professional leagues and collegiate teams were represented.

Operation Hat Trick has been the official charity of the Tailgate Show. Here are a few pictures from our time there with terrific licensee and retail partners!

In this display, conference attendees could leave a note of thanks to be delivered to veterans.

This huge image of OHT/Alabama gear was displayed in partner Colosseum's booth.

Warrior Ice Hockey program

Operation Hat Trick has recently entered into a two-year commitment to six Warrior Ice Hockey programs throughout the country, in a partnership with the Red River Charitable Foundation.

The mission of these programs is to administer an ice hockey program that provides a recreational, therapeutic experience and education. The donations will be used to obtain ice time for the teams to practice, which is critical for the advancement of the teams and the therapeutic benefits of the programs.

The organizations that we are partnering with include the following:

- North Carolina Warrior Hockey Program in Raleigh, NC
- Charleston Warriors Sled Hockey in Charleston, SC
- Challenge Alaska/Alaska Warriors Hockey in the Anchorage, Alaska area
- Minnesota Ice Hockey Warriors Hockey in St. Paul, MN
- Capital Beltway Warriors in the Washington, DC area
- Ice Vets Adaptive Sports in New Hampshire and Vermont

The Red River Charitable Foundation supports veterans and their families by providing technology career counseling and mentorships, as well as emergency monetary assistance as they integrate back into our community.
