FOUNDER'S MESSAGE

Hi Everyone!

I hope this newsletter finds you well and enjoying the last bits of summer. School has opened already in many states and others will soon follow. Hard to believe. Fall is right behind, and we are excited to have the seasons begin. Here's hoping you stay safe and healthy.

You'll notice we have added a new feature to our Newsletter that addresses giving in the workplace (read to the bottom.) We've often been asked if employees can add OHT to the list of organizations where they work so they can make a donation. Some receive matching donations from their company.

We're thrilled to already have some companies and employees doing this through their United Way campaigns, their major retail employers, through adding OHT to the list and suggesting us as a recipient of a donation wherever they may work. We'd love to add to the number of companies supporting us!!!!

If you'd like to do something through your place of employment, feel free to inquire at your company. For OHT, this is another way for us to help fill more critical gaps in care for those service members and veterans in need.

We are very excited for the Fall to start. I hope you'll continue to follow us on social media so you can be part of the excitement as soon as it happens.

All my best,

Dot Sheehan

OHT 2021 GOLF TOURNAMENT

Last week, the North Conway Country Club hosted a golf tournament benefiting OHT!

Below are a few photos from the tournament. We want to say a special thank you to Eastern Propane for a surprise donation of \$10,000! This will go so far to help wounded service members and veterans!
