## FOUNDER'S MESSAGE

Hi Everyone!

It's hard to believe but here we are at the end of another year. I know we'd all hoped we would be back to "normal" by now but... And we're not quite sure what "normal" will ever be again. Delivery delays and supply chain issues were a new kind of challenge but creative ways to get what we needed on time or nearly on time were found. Kudos to all of us who are surviving that challenge.

During these last 2 years, Operation Hat Trick has done miraculously well. We are thankful to EVERYONE who has made that possible. We have donated over \$2.5 million since 2014 and we fully expect to be over \$3 million by the end of this fiscal year if not sooner. That's an amazing accomplishment and we are thrilled to have been able to make a difference to 80+ organizations. Together we are filling critical gaps in care. We are truly making a difference in the lives of so many needy veterans. And believe me when I tell you there is some serious need out there.

Thanks to all of our licensees. Without you we would not be where we are. A special thanks to Colosseum and Fanatics-you have truly brought OHT to another level so that we could increase our donations significantly.

As Travis Mills, one of 5 quadruple amputees has said many times, "There is no greater threat to our freedom than the lack of gratitude to those who provide it". Every day Operation Hat Trick remembers this and continues to help provide support and fill gaps in care so that those who serve can lead more independent lives. We are grateful that you all help us do that.

Happy Holidays to All.
