FOUNDER'S MESSAGE

Hi Everyone!

I hope this message finds you all well and looking forward to Spring. Not sure we ever have Spring here in NH anymore, but we continue to hope.

There have been oh so many exciting conversations between OHT and current or potential licensees lately. We see retailers interest in OHT increasing significantly and ordering for Fall and next Spring like they haven't in over 2 years. A VERY good sign and we are thrilled!!

What that means for OHT is more cobranded and OHT-only product in the marketplace and online, allowing us to make more donations to organizations that support the recovery of wounded service members and veterans. Currently we are at \$2.6+ million in donations since 2014, and in a matter of a few months we will be over \$3 million. Who would have ever thought?????

We hope you will follow us thru our social media channels, our website and our monthly newsletter so you are up to date on everything happening at OHT. We'll keep you in the loop. You can do this by using our social media handles, our website, and our newsletter, all listed below!

In the coming months there will be a lot to share. In the meantime, make a purchase, a donation or help a veteran in need. There is a LOT of need out there but thanks to you and your support, OHT is able to help more than ever. Thanks for everything you do to make OHT successful!

OHT SUPPORTS KENTUCKY WOUNDED HEROES AND ADAPTIVE TRAINING FOUNDATION

Operation Hat Trick recently made donations to Kentucky Wounded Heroes and Adaptive Training Foundation. These donations will aid in the emotional outreach to veterans through wellness activities, including outdoor expeditions and exercise training, respectively.

“We are so delighted to make donations to these two organizations,” said Dot Sheehan, Founder and CEO of OHT. “We are always grateful for the help these organizations will provide to those veterans in need enabling them to lead more independent, healthy lives”.
